

# PRIVATE PIANO & KEYBOARD LESSONS

SCHOOL YEAR 2020-2021

Dear Parents,

Welcome back to St. Malachy School! The past months dealing with Covid 19 have been very challenging. We had to give up some of the activities we enjoyed in the past. But now that we can return to Campus, Private piano & keyboard lessons are also returning for those interested in learning to play. Lessons are offered here at St. Malachy Parish School for students in **first through eighth grade**.

This fall marks the 47th year that I have been giving piano lessons at SMS. This program provides students the opportunity to explore and expand their musical talents. I'm sure as parents you can appreciate the importance of music in their lives.

We will all need to follow the Covid 19 protocol to insure our safety. Since these are private lessons, there will only be myself and one student in the piano room at a time. We will both wear masks and sanitize hands and keyboards before and after each lesson. The weekly lesson rate is \$17.50 for ½ hour private lesson (The lesson fee is not included in your child's school tuition.) Scheduling is done in cooperation with you and your child's teacher at appropriate times during or after school. You may request placement on the after school waiting list if you are interested in the first available opening. Lessons may change at any time to avoid any academic problems or conflicts. **Participating students must have a piano or keyboard at home for practicing purposes.**

If you are interested in lessons or would like more information about the music program, please fill out the form below and return it to the school office or to Mrs. Loviscek as soon as possible for scheduling. Lessons will commence on September 8, 2020. I look forward to teaching your child the joy of God's gift of music.

Sincerely,

Mary Kay Loviscek
