

## Cans in Your Hands for a casual day

Due to the ongoing pandemic, this effort is to provide continual community service to support the Brownsburg Cornerstone Food Pantry, which our church supports. The pantry has to turn away patrons when they run out of food.

Starting on March 2, and on the first Tuesday of every month, (April 6 and May 4) the students bring canned food to their classroom, and wear casual clothing that day. A monetary donation may be made in lieu of food, given to your child's teacher for the food pantry. Your donations are truly appreciated!
