

ST. MALACHY SCHOOL PRIVATE PIANO & KEYBOARD LESSONS

SCHOOL YEAR 2021-2022

Dear Parents,

Private piano & keyboard lessons are offered here at St. Malachy Parish School for students in **first through eighth grade**. This fall marks the 48th year that this program has been offered to the students of St. Malachy Parish School. It gives them the opportunity to explore and expand their musical talents. I'm sure as parents you can appreciate the importance of music in their lives. A child learning to play a musical instrument can bring joy and fulfillment for years to come.

Again, this year lessons are being conducted by me, Mary Kay Loviscek, here at St. Malachy Parish School. The lesson rate will be **\$17.50 for ½ hour private lesson**, which is scheduled once a week. Scheduling is done in cooperation with you and your child's teacher at appropriate times during or after school. However, there are limited after school openings available. You may request placement on the after school waiting list if you are interested in the first available opening. Lessons may change at any time to avoid any academic problems or conflicts. ***Participating students must have a piano or keyboard at home for practicing purposes.***

If you are interested in lessons or would like more information about the music program, please fill out the form below and return it to the school office or to Mrs. Loviscek as soon as possible for scheduling. **Lessons will commence on September 7, 2021. (Tuesday after Labor Day)**

I'd like to thank-you for giving me the opportunity to teach your child. St. Malachy is such a blessing to me. Your interest and continued support of this program is *greatly appreciated*.

Sincerely Yours,
Mary Kay Loviscek
