

St. Malachy School

Trash Bag Sale

The trash bag sale at St. Malachy has been going on for almost 40 years!! This year we are hoping to increase the participation in this sale. We are offering more incentives for students to sell as many rolls as they can. But also we are just hoping that this year each family can just participate and help the school reach their goal of 4000 rolls sold! Every roll sold helps benefit the students and the school!

How the money raised contributes to our Students and our School

- This money is used to fund all of the extra things our special classes need! That includes all art supplies, music, gym, the library and spanish class needs!
- We give our teachers money to help with their classroom wants and needs at the beginning of every school year!
- We contribute to the Father/Daughter dance, Grandparents Day, Field Day, Catholic Schools Week and Teacher Appreciation Week!
- We pay for the Joseph Maley Foundation presentation for the children!
- We contribute to the eighth grade field trip!

We would love to continue to help with all of these amazing things and so much more!
