## Kennison's Corner

Dear Parents,

This week is going to be very exciting! Many of you and your children may have noticed there are a few rides in the church parking lot already. The tents will go up a little each day, so this means we won't be able to park in the school parking lots at dismissal. So, we will be utilizing "Country Fair Parking" as early as today. For new families and those that have forgotten, "Country Fair Parking" means teachers will walk students over to the church parking lot, and parents will need to park in the church parking lot. Parents, we use the same guidelines, park facing the church, turn your engine off and stand in front of your car so your child/children will see you. Remember don't leave until the attendants begin releasing cars. If you are in the late line, please know it is the same procedure. It is really important that your child and his/her teacher know if they are car riders or Extended Day. It is a much longer walk from the school to the church lot, if we have to call a child from Extended Day to come to the car rider lot. Please communicate to the office and your child's teacher any changes from their normal after school plans. I will let you know as soon as possible when we go to "Country Fair Parking."

When you send in order forms for Country Fair cash, bracelets, raffle tickets etc., please make sure your child's first and last name are on the order form and envelope. We will fill the orders during the day and send the filled orders home the same day in your child's backpack.

On Thursday, September 29th at 2:15pm, it's Screaming Bingoooooooo time for meeting the school goal for Trash Bag sales. Thank you everyone! We will have an E-Learning Day on Friday, September 30th. Teachers will communicate what that will be like since it will be slightly different at each level. While it seems that we should be experts at remote or virtual learning, remember this is our first practice of E-Learning this year and because we don't do this very often, we have small problems. If you do, please contact your child's teacher via email. We use Google Classroom for all grades to do their attendance questions; however, the younger students, kinder through 2nd, may use a packet for math and reading while middle school will use Google Classroom for everything. Preschool does not use Google Classroom, but may have a few activities for the preschool kiddos.

Don't forget to sign up for conferences!

I hope to see everyone at the Country Fair; it's the best event in Hendricks' County and you don't want to miss it.

In Christ,  
Mrs. Sandra Kennison  
St. Malachy Principal

### A Note from Mrs. Mary Feeney:

After 41 years of teaching full-time at St. Malachy Catholic School, I will be changing roles next school year in August. I will be a Resource Room instructional aide part-time.

I have been able to teach this long full-time due to the support of the parents, my teaching aides, my teaching partners, and my principals over the years. I am truly blessed to have a job which involves working with loving children. The best thing about teaching here is sharing my Catholic faith with my kindergarten children!
